

Andrew Myers

Ecologist

Education

Butler University,
Indianapolis, BS Biology

PROFESSIONAL RESPONSIBILITIES

Mr. Myers is an experienced environmental professional with environmental sampling skills and knowledge of a wide-variety of regulatory disciplines including RCRA, TSCA, and CWA. He also has experience writing a variety of environmental documents, including Waters Reports, Construction in a Floodway (CIF) Permits, Rule 5 Permits, and Categorical Exclusions (CE and PCE). In addition, he also has experience completing the IPaC process for endangered bats. Other skills include technical writing, data management, and cell culturing.

EXPERTISE

- Sampling Design, QA/QC Procedures and Sample Collection, Low-flow Sampling
- Soil Gas; In-door Air; Soil and Groundwater Sampling
- Wetland Determinations
- Bridge Inspections for Endangered Bat Species
- ESA Phase I and Phase II Field Studies

SELECTED PROJECT EXPERIENCE

- US 27 over St. Mary's River, Wayne Township, Allen County, Indiana (Des. No. 1701388). Waters of the U.S. Determination and Wetland Delineation.
- SR 67 Bridge HMA Overlay in Hendricks and Morgan Counties, Indiana (Des. No. 1900651). Programmatic Categorical Exclusion (PCE) Applicability Form.
- SR 67 Bridge HMA Overlay in Morgan County, Indiana (Des. No. 1802824). Programmatic Categorical Exclusion (PCE) Applicability Form.
- Henderson Ford Road Realignment in White River Floodway (Des. No. 1901383) Washington Township, Morgan County, Indiana. Application for IDNR Construction in a Floodway Permit, IDNR Form 42946 (R6/ 02-05).
- SR 71 Small Structure over UNT of Brouillets Creek Replacement Project (Des. No. 1500138), Clinton Township, Vermillion County, Indiana. Application for Section 401 Regional General Permit, IDEM Form 51937 (R4/7-18).
- SR 67 Intersection at I-465, Decatur Township, Marion County, Indiana (Des. No. 1800315). Waters of the U.S. Determination and Wetland Delineation.
- Teeters Road Bridge Replacement over West Fork Clear Creek (Des. No. 1901383) Washington Township, Morgan County, Indiana. Application for IDNR Construction in a Floodway Permit, IDNR Form 42946 (R6/ 02-05).
- Clear Creek (Des. Nos. 1901601 and 1901602) Washington Township, Morgan County, Indiana. Application for IDNR Construction in a Floodway Permit, IDNR Form 42946 (R6/ 02-05).
- West Fork Clear Creek Channel Realignment in West Fork Clear Creek Floodway (Des. No. 1901383) Washington Township, Morgan County, Indiana. Application for IDNR Construction in a Floodway Permit, IDNR Form 42946 (R6/ 02-05) UNT 15.
