Providing Quality Service Since 1986

ASC Group, Inc. (ASC) is a cultural, environmental, and hazardous evaluation and consulting company. We specialize in archaeological and historical architectural services, ecological services, environmental assessments, National Environmental Policy Act (NEPA) documentation, and hazardous materials evaluations.

ASC is a certified **Woman-Owned Small Business** that was formed in 1986. We have a permanent staff of prequalified professionals including:

- Archaeologists,
- Architectural Historians,
- Wetland Scientists,
- Ecologists and Biologists,
- Environmental Specialists,
- Asbestos and Lead Paint Assessors,
- Noise Engineer,
- Drone Pilot, and
- Support Staff.

Additional staff are available as needed. We have the commitment, experience, resources, and logistical support necessary for the successful completion of cultural resources, ecological, environmental, and hazardous material surveys at any level.

ASC Headquarters in Columbus, Ohio.
